

The Devil s Snake Curve: A Fan s Notes From Left Field

By Josh Ostergaard

Coffee House Press, United States, 2014. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. The Devil s Snake Curve offers an alternative American history, in which colonialism, jingoism, capitalism, and faith are represented by baseball. Personal and political, it twines Japanese internment camps with the Yankees; Walmart with the Kansas City Royals; and facial hair patterns with militarism, Guantanamo, and the modern security state. An essay, a miscellany, and a passionate unsettling of Josh Ostergaard s relationship with our national pastime, it allows for both the clover of a childhood outfield and the persistence of the game s service to those in power. America and baseball are both hard to love or leave in this by turns coruscating and heartfelt debut. Josh Ostergaard holds an MFA in creative writing from the University of Minnesota and an MA in cultural anthropology. He has been an urban anthropologist at the Field Museum and now works at Graywolf Press.

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in a remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.

-- Mark Bernier
