The Church of Ireland has a successful tradition of publishing supplements containing recent and contemporary compositions to enrich its expression of worship. The selection includes many hymns and songs, plus a new setting for the Eucharist, short songs and chants - alleluias, kyries, and blessings, a number of items in the Irish language, music from the world church and some completely new compositions and arrangements. Also included are children s songs, easily singable hymns for infant baptism and Lenten hymns. The material is arranged alphabetically with indices which will connect each item with the shape and structure of Church Hymnal and many biblical references. There is also a Liturgical Section which includes two full communion settings, metrical canticles, prayer responses and other short chants. Two years in preparation, the selection has been overseen by a team of parish and cathedral musicians and clergy and has been tested in local parishes.
