WACKY RACES

DOWNLOAD

Betascript Publishing. Taschenbuch. Condition: Neu. Neuware - Wacky Races is an animated television series produced by Hanna-Barbera Productions. The series features 11 different cars racing against each other in various road rallies, with each driver hoping to win the title of the 'World's Wackiest Racer.' Wacky Races ran on CBS from September 14, 1968 to January 4, 1969. Seventeen episodes were produced, with each episode featuring two different races, for a total of 34 races in all. The cartoon was unusual in the large number of regular characters, twenty-four in total: the twenty-three people and animals spread among the 11 race cars, plus the unseen (and never identified) race announcer. Another unusual feature of the series is that the stars of the show are the villains as opposed to the heroes. Reruns of the series currently air several times a day on Cartoon Network's classic animation network Boomerang. 116 pp. Englisch.
