

Circus of Indie Artist: Gilbert Gottfried Edition (Paperback)

By Dale Bruning

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. We all had dreams of running away to the circus. Consider this the next best thing. Talent from all over the world coming together to give their creative minds for a good cause. Read along as we go from horror to sci-fi to poetry for young and not-so-young. Not everything in this edition is for everybody . so parents keep an eye on the kiddos. Gilbert Gottfried is a comedic genius and has been a hero of mine for quite a while. Imagine how overjoyed I was to find out he and I had one more thing in common besides the obvious (he is Jewish and I am really really German). He has come forward to lend his voice in the fight for more money for autism research. For this fact I proudly proclaim this issue of The Circus of Indie Artist the Gilbert Gottfried Edition. It has been two years since I started this little magazine and I love all my authors and would not trade the gems I discovered while doing this for the world.
