As the leader of Seal Team Six, Williams performed valiantly under fire, risked death to save his men, and eliminated the terrorists responsible for a presidential assassination attempt. Williams is ready for a well-deserved break, and when his grateful community offers him an all-expenses-paid night out with his wife, he happily accepts. It will be their first real date in years. Their children, Jaxon and Emma, will spend the night at Mommas Place, one of a chain of nationwide sitting services. A night of relaxation turns tragic as the organized crime syndicate the Cartel raids Mommas Place locations across Arizona, kidnapping any child present. Williams first indication of danger comes from Jaxons frantic voice message: We are being taken. We are being taken. Desperate to save his children, and frustrated with the ineffectiveness of local law enforcement, Williams takes matters into his own hands. With the help of fellow Navy Seals, his Army Ranger brother, and some well-placed government contacts, Williams forms Protect Hero, an elite private security force dedicated to the safe return of his kidnapped children. The Cartel thinks its won a major victory. Williams is about to show them how wrong they are. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
