Amazon Publishing, United States, 2016. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. Amy Walker is steps away from her perfect job. The day she makes partner at her real estate firm will be the happiest of her life, second only to the day in junior high when her tormentor, Logan Miller, finally moved away. But fate has a warped sense of humor, because Logan is back. In her town, in her office, gunning for the same promotion. Worse, the man is sinfully hot. But that won't keep Amy from exacting the revenge he richly deserves. Logan had reasons for acting wild in his youth, but he still regrets the way he treated Amy. Especially once he's sharing an office with the smart, self-controlled beauty. For one thing, she's got a wicked sense of payback. For another, he's realized there's something he wants much more than a promotion. And that's to melt the ice he helped form around her heart all those years ago and to prove that loving thine enemy can be the ultimate happy ending.
