Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.In Beautiful Intelligence Stephen Palmer told a global story of artificial intelligence in a fractured, dangerous future, overseen by the eyes of the nexus. Now in No Grave For A Fox he continues the tale, returning to Kid Indigo, the mysterious AI last seen isolated and disorientated in the ruins of Seattle. The year is 2110. In Africa, water and food shortages force many people to exist hand-to-mouth, including a couple of itinerant street musicians, Ibrahim and Elodie. When a Japanese dog appears one evening at a gig, Elodie befriends it, but soon the lives of the couple are entangled with both the dog and enigmatic nexus wizard Zouhair Fox. Soon the trio find themselves taking part in a nexus revolution that threatens to cover Africa, and perhaps the whole world. The short novel, No Grave For A Fox, is a second fast-paced, philosophical thriller that takes the reader across the globe through a post-oil world of danger, surprise and possibility.
