Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

Stone Bridge Press, United States, 2016. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book. This book looks at the core life concepts and shared values that historically and culturally define the quality of being Japanese. Among these are reverence, love of nature, group loyalty, hierarchical respect, passion for detail, belief in learning, formality, and acceptance of change. How can Western analogues of these Japanese virtues help us improve our own societies and cultivate inner strength, mindfulness, and long-lasting relationships at home and the workplace? This stimulating exploration of an alternative ethics and humanism is a provocative workbook for decluttering the spirit. Yoji Yamakuse is a Tokyo-based consultant on personnel management, staff training, and development of joint projects in cross-cultural environments.
