The Lord said to me, -Harrison, I have given you dominion. I did not say I will give you dominion, but I said I have given you dominion.- Dominion! What is dominion? The Oxford Advanced Learners Dictionary defines it as authority to rule; control (the right of directing or of giving orders; power or authority) over something. So dominion is the same word as authority, power to reign on this earth over every situation. I therefore announce it to the whole world, God has given me authority, power to reign on this earth over every situations. I do not doubt it because God said it to me verbatim. No man can reign on earth without dominion or authority. Just like no king can rule without authority or power; where the word of a king is, there is power. A king that has no dominion over his kingdom is no more a king, the same way a believer that has no dominion on earth cannot reign as a king.
