Belmont University, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Belmont Story Review is a national magazine of literary arts, faith and culture. The magazine aims to surprise and delight readers through an eclectic mix of storytelling which includes fiction, personal essay, poetry, songwriting, drama, graphic narrative, and photography; as well as creative reportage, including coverage of music, film, creativity and collaboration, and the intersection of faith and culture. We seek to publish new and established writers passionate about their craft, fearlessly encountering difficult ideas, seeking to explore human experience in all its broken blessedness. Finally, in addition to bringing engaging narratives in all its forms to a wide audience, we seek to exemplify the mission of Belmont University by venturing into the wider culture-shaping arena of literary arts, extending and honing our skills as readers, writers, editors, artists, entrepreneurs, and citizens within a Christian community of learning and service.
