Nomad Press, United States, 2017. Hardback. Condition: New. Tom Casteel (illustrator). Language: English . Brand New Book. Who is the lady who floated to the moon? Did a monkey really hatch from an egg? Did tears bring down the Great Wall of China? Does the sky rest on the legs of a turtle? In **Explore Ancient Chinese Myths! With 25 Projects**, readers ages 7 to 10 soar on a journey through ancient China to learn about history, geography, science, and art through stories that have been told and retold for thousands of years. They learn the tales of past heroes and wise kings, brave goddesses and gods who brought riches, rain, and immortality. Then there are the gods who taught people how to live by sharing their knowledge of agriculture, writing, music, and math. The myths and legends told by the ancient Chinese that have survived into modern times showcase the ingenuity and passion that this culture has applied to problem solving and cultural expression. Through the 25 hands-on projects, kids will have fun and gain a deeper understanding of ancient Chinese myths. Projects include making mooncakes, writing in Chinese, designing a New Year s story board game, and observing the stars. Exploring myths and legends is also a way to discover how ancient China is still impacting the world today through inventions such as fireworks, silk, paper, and printing. In addition, kids will be invited to think about how Chinese culture is similar or different from their life today. By combining social studies and literature with activities, fun facts, jokes, and cartoons, **Explore Ancient Chinese Myths** offers the opportunity to discover Ancient China through myths and legends.
