Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Marriage is under attack all over the world, particularly in the USA. The purpose of marriage has been lost in the liberal dialog of personal opinion and political correctness. Many who have read this book have told us it is a surprisingly fresh look at marriage like they have never been taught or imagined before. In this book we answer an age old mystery described in the Bible about how marriage is to be like Christ and the Church. In this book, we explore and attempt to explain that profound mystery of the Trinity, the Community of God as the Father, The Son, and the Holy Spirit, and how that community is not only the creation point of marriage, but is the very nature and reflection of all that marriage is meant to be. That connection and relationship is very practical and concrete, and we bring it down from the ethereal and out of the clouds of mystery into something you can wrap your brain around and use in your life on an everyday basis. That is why we call it God in Real Time, Your Marriage as God Imagined It. We also take a close look at what marriage is meant to be and what it is not meant to be. We explain where marriage came from according to the Biblical teachings, offering to the reader a well-studied and solid foundation of what it means to be married, strive for love, develop real intimacy and experience our fullest expression of our true self within the marriage context. We propose that you are not alone in your marriage efforts, and that you have a very powerful ally who is profoundly...
