NAi Publishers. Condition: new. Legends, folk tales and fairy tales all had a profound impact on Russian painting of the nineteenth and early twentieth century. The Russian artists who dealt with these subjects chose sometimes to paint large canvases in which the greatness and grandeur of the Russian countryside uses with the magical world of the imagination. The paintings of Viktor Vasnetsov, Nikolai Roerikh and Mikhail Vrubel, the illustrations of Ivan Bilbin and Elena Polenova, and the works of Vasily Kandinsky register most impressively the worlds of fantasy and the imagination. This book presents more than 90 illustrations of these fascinating works, while the essays shed interesting light on how these stories contributed to and influenced the visual arts. The book also contains summaries of the fairy tale depicted in these paintings, whereby the reader is given an overview of the major Russian folk tales. English EAN 9789056626082.
