Margaret K. McElderry Books, United States, 2011. Hardback. Condition: New. Reprint ed.. Language: English . Brand New Book. Vampire romance takes a snarky turn in this humorous novel, coming soon to TV screens as a Lifetime Original Movie! Pearl is a sixteen-year-old vampire.fond of blood, allergic to sunlight, and mostly evil.until the night a sparkly unicorn stabs her through the heart with his horn. Oops. Her family thinks she was attacked by a vampire hunter (because, obviously, unicorns don t exist), and they re shocked she survived. They re even more shocked when Pearl discovers she can now withstand the sun. But they quickly find a way to make use of her new talent. The Vampire King of New England has chosen Pearl s family to host his feast. If Pearl enrolls in high school, she can make lots of human friends and lure them to the King s feast--as the entrees. The only problem? Pearl s starting to feel the twinges of a conscience. How can she serve up her new friends--especially the cute guy who makes her fangs ache--to be slaughtered? Then again, she s definitely dead if she lets down her family. What s a sunlight-loving vamp to do?.
