Money and Paper Currency: A Study for the Times (Classic Reprint) (Paperback)

By George E Casey

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Money and Paper Currency: A Study for the Times I cannot pretend, at this time of day, to write anything both novel and sound on this subject. It has been my object to present a few leading principles and arguments in a convenient form, and to apply them to the solution of some problems now under discussion. It is unnecessary to consider all possible theories. When people see clearly that there is no mystery about currency, except such as has been created by those who claim to expound it, they will be able to judge new propositions, as they arise, by common sense reasoning from first principles. The discussion of some of these first principles is embarrassing, from their very elementary character. They resemble Euclid's axioms in so far that they only be proved by stating them. If a man does not admit at once that the whole is greater than a part, no logic will convince him. The same is true of some elementary truths about currency. One can only explain their meaning and may then be charged with...
