While attending college at fifteen, she'd formed a deep friendship with Rider Lanning. He was the brother she never had and one of the few people she knew she could trust. They hadn't spoken in years. How did he know to contact her now? The gunshot wound was bad. She wouldn't last much longer. She wanted to tell him that she'd left him everything, the money, the houses. She was too weak, she lost the connection before she could tell him about the most important thing, take care of her son. They would do as he says and he would protect them always. My family are leopards, and not without the means to keep you safe. You've met Linyah and the rest of my family. We can help you, but you're going to...
