Robert D. Reed Publishers, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. America s notoriously unorthodox and creative personal growth guru Steve Chandler has written his most compact and powerful book yet in TEN COMMITMENTS TO YOUR SUCCESS. By explaining and dramatizing the power of introducing synergy into your life, Chandler demolishes the myth that a balanced life is mediocre. He reveals the underlying dynamic of commitment, how to access it, and how to apply it to the ten categories of your life that you usually don t get committed to.The author delivers exciting new ways to commit to your career, your partner, your wealth, your physical well-being, and your future. The mind-body-spirit synergy, which has been verified and validated by the biosciences as an absolutely necessary synergy for a quality life, is expanded by the author into ten specific commitments to be made and kept on a daily basis. These commitments then combine with each other to produce not a lone voice singing in the wilderness, but a thrilling harmonic chorus that connects the individual to the entire universal web of living, loving beings.
