By Unknown Author

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Details of Practical Mining: Compiled From the Engineering and Mining Journal This book is a collection of articles that have appeared in the Engineering and Mining Journal during the last two or three years under the general head of Details of Practical Mining, a department of the Journal that has been appreciated highly by its readers, many of whom have expressed the wish that a collection in book form be made, which has now been done. In the editing of this volume, the work has been chiefly in the selection of the material and its arrangement in chapters. Now and then it has been possible to excise some paragraphs as being unessential and occasionally the phraseology of some articles has been altered a little, the requirements of preparation for the original weekly publication not always having permitted leisurely consideration, but in the main the articles now presented in this book are as they were given in the pages of the Engineering and Mining Journal. However, it has been necessary in a few cases to...
