Own the Market: A Succinct Guide to a Happier Academic Job Search

By A Scholar of No Distinction

Little Brick Feet, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Most advice for academic job seekers works from the underlying and usually unstated assumption that it is the candidate's job to please the committee. But there's an inherent flaw with this thinking, namely, when does the candidate think about pleasing himself? OWN THE MARKET: A SUCCINCT GUIDE TO A HAPPIER ACADEMIC JOB SEARCH makes the radical suggestion that graduate students can start arranging for happiness in their careers right from the start by knowing how hiring actually works and what they really want out of their careers. This targeted, no-nonsense guide works on the teach a person to fish principle, showing job seekers not just the what, but also the why, so that they can adapt to any job search. Topics include how to use market materials to showcase your skills, a clear definition of fit, the best way to prep for any interview, how to nail the teaching demonstration, dealing with rejection, leaving academia and more. And it's short, because you already have enough to read. Don't just get a job....
