

Stroke by Numbers!: Who: From Everyday Joe to Stroke Patient! (Paperback)

By Paul G Frendo

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Welcome to the stroke club, I know this is not the club you ever wanted to join, but to make it better, how about the stroke survivor club? This book is book one in a six-part series helping you learn about life after stroke. Book one is Who most of all who are you. Who were you and Who are you going to be post-stroke. You are injured, you need time to heal. If we can help you answer some of the millions of questions running through your recovering mind. Then we have done our job as warriors. Please take your time and read at your new pace. Welcome to your recovery and new normal! You are a newbie. It is our job to take you from a newbie to survivor to warrior. I consider myself a warrior because I have made it my mission in life to fight for those that have given up the fight to keep living. Don t ever think that you are alone in this fight. Warriors are always just a click or...

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

-- Audrey Lowe I

It is fantastic and great. It is really simplified but unexpected situations from the 50 % in the ebook. I discovered this ebook from my dad and i suggested this book to learn.
