

## Fertility Astrology: A Modern Medieval Textbook (Paperback)

By Nicola Smuts-Allsop

WESSEX ASTROLOGER LTD, United Kingdom, 2018. Paperback. Condition: New. Language: N/A. Brand New Book. Despite incredible and previously undreamed-of advances in modern medicine, for many women the issue of infertility remains a heart-breaking reality. Using a combination of traditional and modern astrological techniques, the author has delved deeply into the charts of hundreds of infertile women, and in many cases has unravelled what might be at the root of the problem. Sometimes it s a matter of location or timing, or it could be psychological issues in the relationship that are causing the block; whatever the reason, the author works closely with the couple - and often the medical profession - to produce results that are frequently positive where there has been no hope before. Although this is an advanced textbook for astrologers, the human element of the case histories is nothing short of inspiring, and from that perspective can be enjoyed by readers with no knowledge of astrology.
