ONE SIX BILLIONTH (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I live in snapshots and polaroid pictures. Everything will be exposed in time - hues, textures and motivations like ghosts of the present tense. These memories are embroidered and tinted, complete with awkward pauses and distracted glances but my words are genuine. It s time to let it go. In the end, none of it really matters. It s the way people still try in the face of this fact that makes them so beautiful. We all scream our lungs out just to feel alive but let s try to speak in whispers, just this once. - This is a second printing of a book I wrote when I was 18 years old. It was out of print for 7 years until I, by happenstance, found a used copy of it and decided to bring it back to life. I feel it is an important piece of my origins as an artist.
