Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. 1001 Dark Nights is a collection of breathtakingly sexy and magically romantic novellas inspired by the exotic tales of The Arabian Nights. In the original, Scheherazade desperately attempts to entertain her husband, the King of Persia, with nightly stories so that he will postpone her execution. In our versions, each of our fabulous authors puts a unique spin on the premise and creates a tale that a new Scheherazade tells long into the dark, dark night. From the first moment I saw him, I knew that Rainer Engel was like no other man. Dangerously sexy and darkly mysterious, he both enticed me and terrified me. I wanted to run to fight against the heat that was building between us but there was nowhere to go. I needed his help as much as I needed his touch. And so help me, I knew that I would do anything he asked in order to have both. But even as our passion burned hot, the secrets in Raine s past reached out to destroy us and we would both have to make the greatest sacrifice to find a love that would last forever.
