Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Freshman Lianne Challice is known to millions of fans as Princess Vindi. But sometimes a silver-screen sorceress just wants to hang up her wand, tell her manager to shove it, and become a normal college student. Too bad that s harder than it looks. She s never lived a normal life. She hasn t been to school since kindergarten. And getting close to anyone is just too risky - the last boy she kissed sold the story to a British tabloid. But she can t resist trying to get close to Daniel DJ Trevi, the hot, broody guy who spins tunes for hockey games in the arena. Something s haunting his dark eyes, and she needs to know more. DJ s genius is for expressing the mood of the crowd with a 10-second song snippet. With just a click and a fade, he can spread hope, pathos, or elation among 6,000 screaming fans. Too bad his college career is about to experience the same quick fade-out as one of his songs. He can t get close to Lianne, and he can t tell her why. And the fact that she seems to like him at all? Incredible.
