

A Little Book for New Philosophers: Why and How to Study Philosophy (Paperback)

Filesize: 5.94 MB

Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

A LITTLE BOOK FOR NEW PHILOSOPHERS: WHY AND HOW TO STUDY PHILOSOPHY (PAPERBACK)**DOWNLOAD**

InterVarsity Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. What s the point of studying philosophy when we have theology? Is philosophy anything more than a preparation for apologetics? Often called theology s handmaid, philosophy has sometimes suffered from an inferiority complex in the church. Many Christians see little point in it at all. But as Paul Copan contends, it is possible to affirm theology s preeminence without diminishing the value and contribution of philosophy. In A Little Book for New Philosophers, Copan offers a concise introduction to the study of philosophy. Aimed at newcomers, this brief overview is both a survey of philosophy s basic aims and categories and an apology for its proper function in the life of the Christian. By God s grace, Copan writes, philosophy can enhance our understanding and worship of God . . . and assist us in defending the coherence of our faith in the Lord Jesus Christ.
