### **Reviews**

*The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.*

## CALCUDOKU FOR KIDS: PLAY AND LEARN! (PAPERBACK)

Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Let your child play and learn basic mathematics and logic!The puzzles in this book are designed for elementary school children. It teaches them not just basic arithmetics (addition, subtraction, multiplication and division), but also develops problem solving skills, such as: logic, patience, analytical skills and lateral thinking. With 200 puzzles altogether, there is plenty of games for kids to play. The puzzles start off very easy to introduce and relax your child, but progressively become tougher and tougher. Some might pose a challenge even to you! To ensure the most enjoyable solving experience, this book is printed on the highest quality paper which allows for multiple erasures if required. It is also available in electronic format as an interactive game for Kindle, under the same title.
