Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Crochet: 18 Beautiful One-Night Crochet Projects To Try Right Now! There are few things more relaxing than sitting down with your favorite hobby at the end of a long day, and what better way to enjoy your favorite hobby than by getting the result you want at the end of it? But, it can be hard to find mindless patterns to enjoy with crochet. It seems that so many of them are intricate patterns that require your full attention, when all you want to do is sit back and relax. When you are working with small projects, you can do that very thing. Whether you only have a couple of hours after dinner, or you have the evening to enjoy, you are going to get what you are looking for with the patterns in this book. These patterns are all fast and easy, and they don't require your full attention to make. You can pour yourself a cup of tea, put your feet up, and enjoy some good conversation as you work on these, then finish with a cute little project by the end of the night. Make one or make them all, there's so many ways you can enjoy the patterns in this book. no matter how much time you have. So dive into the world of quick crochet, and enjoy your evenings with the best relaxation you can imagine. Discover a variety of crochet projects you can make in just a couple hours Make last minute Christmas presents for those people who managed to sneak onto your list Have fun with mini projects in between the big projects you are working on Mix and match...
