

In and Around Bath (Paperback)

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).
(Payton Miller)

PAVILION BOOKS, United Kingdom, 2009. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Introducing a fresh, updated edition of a Pitkin best-seller. Built around Britain's only natural hot mineral springs, Bath has been a spa town for 2,000 years. The gushing thermal waters, thought to have great healing powers, are said to have originated as rainwater which fell on the Mendip Hills. The water rises from a depth of 3,000 metres (10,000ft) at over one million litres (220,000 gallons) a day and remains at a constant temperature of 46°C, reaching the surface in three places in the city centre. Designated a World Heritage Site, Bath, steeped in Roman and Georgian history, is a favoured destination for visitors worldwide.
