A modified HSE model was used to improve the
quality of orthopedic assessment in a physiotherapy
department

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | A modified HSE model was used to improve the quality of orthopedic assessment in a physiotherapy department | The writer s physiotherapy department has 36 therapists who graduated from 12 different national and international universities. This has caused diversity in assessment and documentation procedures. A literature review showed that professional and standardised documentation is vital for the creation of patient care plans, enhances communication, and is a legal requirement. In addition, the...
