THE BOOK OF DREAMS AND GHOSTS: SPECIAL EDITION (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The chief purpose of this book is, if fortune helps, to entertain people interested in the kind of narratives here collected. For the sake of orderly arrangement, the stories are classed in different grades, as they advance from the normal and familiar to the undeniably startling. At the same time an account of the current theories of Apparitions is offered, in language as free from technicalities as possible. According to modern opinion every ghost is a hallucination, a false perception, the perception of something which is not present. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
