I. Correlation of Studies. Your Committee understands by correlation of studies: 1. Logical order of topics and branches. First, the arrangement of topics in proper sequence in the course of study, in such a manner that each branch develops in an order suited to the natural and easy progress of the child, and so that each step is taken at the proper time to help his advance to the next step in the same branch, or to the next steps in other related branches of the course of study. The authors of this report uses the word Correlation in its generally accepted sense of reciprocal relations. The things here related are the studies in the school, and life in...
