In Acres of Diamonds, Russell Conwell shows success is a spiritual idea--the result of spiritual principles. Though not a get rich guide, Conwell s book shows how to find a fortune-if you know where to look. There are as many opportunities for success today as in Conwell s time, if not more so, because they are found first and foremost in one s own conscience. Through his ministry and philosophy that all good things are possible, Conwell opened the doors of opportunity for untold millions. Acres of Diamonds echoes his core belief-that each of us is placed here on earth for the primary purpose of helping others. Conwell was a minister, the founder of Temple University, and two hospitals where no one was ever turned away for lack of money. He was also a famous lecturer. In his lecture, the story is told of a man who sells his farm to travel far and wide in search of diamonds. There is a moral to the story in Acres of Diamonds, a story which Conwell presented as a lecture more than 6,000 and to untold numbers of people.
