## Why Niebuhr Matters (Paperback)

By Prof Charles Lemert

Yale University Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Reinhold Niebuhr (1892-1971) was a Protestant preacher, an influential religious thinker, and an important moral guide in mid-twentieth-century America. But what does he have to say to us now? In what way does he inform the thinking of political leaders and commentators from Barack Obama and Madeleine Albright to David Brooks and Walter Russell Mead, all of whom acknowledge his influence? In this lively overview of Niebuhr's career, Charles Lemert analyzes why interest in Niebuhr is rising and how Niebuhr provides the answers we ache for in the face of seismic shifts in the global order. In the middle of the twentieth century, having outgrown a theological liberalism, Niebuhr challenged and rethought the nonsocialist Left in American politics. He developed a political realism that refused to sacrifice ideals to mere pragmatism, or politics to bitterness and greed. He examined the problem of morality in an immoral society and reimagined the balance between rights and freedom for the individual and social justice for the many. With brevity and deep insight, Lemert shows how Niebuhr's ideas illuminate our most difficult questions today.

### Reviews

*Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Dr. Catherine Wehner**

*Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.*
