Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Law of Oil and Natural Gas: A Hand Book of the Statutes of Texas and the Decisions of Its Courts Relating to Oil and Natural Gas, the Organization and Operation of Oil and Gas Companies, and the Ownership and Transfer of Mineral Rights The recent development of extensive oil and gas fields in Texas and the activity displayed in their exploration and mining operations therein are thought to justify this effort to present, in brief and convenient form, the statutes of this State and the rulings of its courts bearing on the subject. We have included so much of the General Corporation Laws as have any application, the statutes relating to mines and mining, those regulating oil and gas wells, the act governing issuance and sales of corporate stock, commonly known as the Blue Sky Law, and a concise summary of the rulings of the appellate courts of the State on mineral rights in land, their ownership acquisition and transfer. Large sums of money are being invested in these interests by men who have had...
