Baker Publishing Group. Paperback. Book Condition: new. BRAND NEW, Postmodernism 101: A First Course for the Curious Christian, Heath White, Finally, here's a book about postmodernism that you don't need a philosophy degree to understand. In "Postmodernism 101: A First Course for the Curious Christian", Heath White offers a brief and accessible introduction to the ideas of postmodernism and its relationship to Christianity. White paints the historical and philosophical background underlying postmodernism in understandable, but not oversimplified, language. He then describes what postmodernism means to our view of self, language, thought, the search for knowledge, and culture. White invites Christians who otherwise might have avoided postmodern theorizing into this important dialogue with questions for further thought after each chapter and suggestions for future reading. This book is ideal for students as well as curious pastors and lay readers.
