THERE WERE GIANTS IN THE EARTH IN THOSE DAYS: REMAINS OF ANCIENT GIANTS REVEALED (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Bible, the book of Enoch and other ancient texts speak of the Giants that ruled the earth many years ago. The Nephilim; the Titans and so on. Were there really Giants in days of old? Did all traces of the Giants of long ago vanish as new civilisations rose and fell, burying the graves and the memories of the Giants further below the surface. America is, relatively speaking, a new country. Amazingly, as the settlers moved Westward and dug into the soil they discovered the remains of giant humans, some with skulls so large a normal sized man could fit the skull over his head. These beings once ruled the land before the settlers and even the native American Indians arrived. This book presents reports from eye witnesses who, as they planted crops and built their homes discovered something they never expected or dreamed of finding; the remains of a race of gigantic humans who ruled the land long before they ever set foot on the continent.
