Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Juliet Mertz)

COURAGE THE COWARDLY FROG

XLIBRIS. Paperback. Condition: New. 28 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. Courage the Cowardly Frog teaches young readers how frogs are born in the water and look like small wiggly minnows only without fins. As they grow they lose their tails and grow small back legs, then smaller front legs. Frogs are true amphibians and can live either on land or in the water. Courage crawled out of the water and forgot he was born there. To him the water looked like a dark, ominous place where he might drown if he jumped in. His mom named him Courage hoping that name would make him brave to go back into the pond. Read how Courage gets over his fears and enjoys sitting on a lily pad and singing with all the other frogs. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
