The beautiful, ruthless Internet Predator wanted my recently-widowed 85 year-old father s millions. I had to stop their imminent marriage or KILL MOM. A true story about a son s efforts to keep his father from becoming another victim of a Charming Evil Opportunist. Five months after my mother passed away, my father went on the Internet to find companionship. He quickly arranged a luncheon date with Carolyn, an attractive divorcee whose picture he saw on A.O.L. In Love. Carolyn had learned my father was a retired business executive living in an expensive home over-looking San Diego Bay. Due to Carolyn s intense pressure, they were engaged in six weeks. Carolyn was a violent, dangerous gold digger with a criminal record who used the Internet, news papers and retirement homes to prey on wealthy seniors. According to neighbors, she may have already killed for money. When Carolyn realized we learned her background and motive, she dug in her heels. She had finally found her \$10 million pay day and was not about to be stopped by greedy children. Dad ignored the evidence, saying only she makes me happy. Lawyers said there was nothing we could do to stop their marriage. Elder Financial Abuse is a serious epidemic. Learn how you can stop predators from ending up with your senior s hard-earned assets.
