## Handbook of Research in Trans-Atlantic Antitrust (Hardback)

By -

Edward Elgar Publishing Ltd, United Kingdom, 2007. Hardback. Book Condition: New. 236 x 152 mm. Language: English . Brand New Book. This comprehensive research Handbook brings together cutting-edge legal and economic analysis into antitrust issues by leading experts from Europe, the US, Canada, Mexico and South America. The Handbook of Research in Trans-Atlantic Antitrust covers a wide-range of areas including: the meaning of consumer welfare; mergers in monopsony markets; unilateral effects; private and criminal enforcement; implementing competition policy in regulated sectors; abuse of intellectual property rights; competition remedies; international enforcement cooperation; complainants rights; dominant firm pricing; and, tying and bundling. The Handbook also includes discursive consideration of the similarities and differences among the various regimes on either side of the Atlantic, as well as a look to future trends and applications in regional and global contexts. Offering a comparative view of pressing antitrust issues, this Handbook will be of great interest to academics, lawyers, practitioners and officials.

### Reviews

*Thorough manual for ebook fans. it had been writtrem quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.*
