Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
(Rene Olson)

LET THEM EAT CHAOS (PAPERBACK)

Bloomsbury USA, 2017. Paperback. Condition: New. Language: English . Brand New Book. Kate Tempest's powerful new narrative poem--set to music on her album of the same title, shortlisted for the Mercury Music Prize--illuminates the lives of a single city street, creating an electric, humming human symphony Let Them Eat Chaos, Kate Tempest's new long poem written for live performance and heard on the album release of the same name, is both a powerful sermon and a moving play for voices. Seven neighbors inhabit the same London street, but are all unknown to each other. The clock freezes in the small hours, and one by one we see directly into their lives: lives that are damaged, disenfranchised, lonely, broken, addicted, and all, apparently, without hope. Then a great storm breaks over London, and brings them out into the night to face each other--and their own last chance to connect. Tempest argues that our alienation from one another has bred a terrible indifference to our own fate, but she counters this with a plea to challenge the forces of greed which have conspired to divide us, and mend the broken home of our own planet while we still have time. Let Them Eat Chaos is a cri de coeur and a call to action, and, both on the page and in Tempest's electric performance, one of the most powerful poetic statements of the year.
