By WHO Regional Office for the Western Pacific, WHO Regional Office for the Western Pacific

World Health Organization. Paperback. Book Condition: new. BRAND NEW, Nursing Care of the Sick: A Guide for Nurses Working in Small Rural Hospitals, WHO Regional Office for the Western Pacific, WHO Regional Office for the Western Pacific, A manual designed to assist nurses working in small rural hospitals in countries of the WHO Western Pacific Region. Focused on basic care of the sick and injured, the manual aims to support nurses working under extremely difficult circumstances that may include chronic shortages of essential drugs and supplies, primitive equipment, inadequate water supply and sanitary facilities, few reference works, and no doctors. Details range from the dos and don'ts of maternal care during labour and delivery, through instructions for determining the drip rate for IV fluid, to advice on how to prevent infection in patients with urinary catheters. Throughout the manual, drawings illustrate key points and boxes communicate clinical alerts to the dangers or problems. An introduction to the role of the nurse as part of the health-care team is followed by advice on how to give good, clear, and supportive information to patients and their families, including patients who may be difficult, angry or incoherent. Subsequent chapters explain how to perform...
