

## True Beginner s Mind (Paperback)

By Margaret Syverson

Appamada, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What happens when 21 university students encounter the teachings and practices of Zen for the first time? Most writings on Zen have come from Zen masters, scholars, and experienced practitioners. Here, a cross-section of American students with no prior experience of Zen read contemporary Zen texts, engage in meditation practice, and participate in in-class inquiry, documenting their emerging understandings, challenges, doubts, and questions over the course of a fifteen-week semester in a college course titled Non-argumentative rhetoric in Zen. Despite the common framework of texts, meditation practice, and class discussion, each chapter is a unique and fresh account of this work.

### Reviews

*Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.*

**-- Dr. Catherine Wehner**

*Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.*
