A LAND OF ASH (PAPERBACK)

DOWNLOAD

Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Yellowstone Caldera has erupted once every 600,000 years. We re 40,000 years overdue. A LAND OF ASH Lava flows stretch for hundreds of miles. A cloud of ash billows east, burying the Midwest, destroying crops, and falling upon the Pacific Coast like a warm, dead snow. The remnants of the United States flees south as the global temperatures plummet. Amid this total devastation are stories of families, friends, sons and fathers and wives: the survivors. Within are eleven stories focusing on the human element of such a catastrophe, from an elderly couple gathering to await their death to a father sealing his shelter in hopes of keeping the air breathable for his daughter. Contributing to this collection include many popular and up-and-coming independent authors, including David McAfee, Daniel Arenson, and more.
