Tundra Books, Canada, 2011. Hardback. Book Condition: New. Bill Slavin (illustrator). 257 x 211 mm. Language: English . Brand New Book. In 1877 in Rochester, New York, George Eastman couldn t understand why picture-taking was so difficult. Having left school at fourteen to support his mother and two sisters, George decided to find out by making photography his hobby. He packed up glass plates, a plate holder, a tent, a heavy tripod, a thick piece of black cloth, a water jug, and chemicals and set off to take his first photograph. George realized that not many people could own a camera they were too expensive and the size of today s microwave ovens! But how could he make picture-taking easier? Eventually, George created dry plates, and they were such a success that he opened his own dry-plate company in 1881. But this was only the beginning George went on to invent film and the Brownie camera. The rest is history. Monica Kulling s spunky, playful text is beautifully complemented by the stunning pen-and-ink with watercolor illustrations of artist Bill Slavin. It s a Snap! George Eastman s First Photo introduces a new series for Tundra the Great Idea Series a must-have for schools, libraries, and parents alike.
