Eve Engelbrite, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****. PHARAOHS OF THE BIBLE is a monumental survey and long-needed work, brilliantly giving us factual answers to the long-posed questions correlating the Biblical historical record with the Egyptological pharaonic records. Eve Engelbrite has exhaustively completed the research we all have wished to see, distilling the vast archives of previous and currently ongoing studies interpreting pharaonic inscriptions, chronology and history into a beautifully organized treasure-trove of copiously foot-noted facts - which triumphantly is also a very exciting read! Eve, God bless you in your highly successful and much needed work, you really did an astonishing amount of research and synthesis. Congratulations on succeeding in compiling and correlating so much minutia. -- David H. Swingler, author of and Thummim.GOD I was blown away by the time-lines, dates and names. Eve Engelbrite did an amazing job in researching for this book. My husband, who knows more of his bible history than I do, was impressed with it. And my son is a history buff and found out there were things even he didn't know. The pictures are beautiful as well. They aren't in color but that doesn't take away from how impressive they are. Eve will take you through Shem's and Moses Pharaohs, to Joseph's and so on, with pictures and diagrams and maps. This would be great for any History lover, or for any church library or if you are just interested in Pharaohs. This book was incredible. It's going in our church library. I see you can now get it on your Kindle in a new version. But I think the print version would be way better. This way everyone can see it...
