YES GOD IS

iUniverse, United States, 2007. Paperback. Book Condition: New. 198 x 122 mm. Language: English . Brand New Book ***** Print on Demand *****.The intent of this short story is to aid you in developing an understanding of God based on truth. The Introduction explains why God is a matter of fact and not faith. Atheists say that God does not exist. You will learn they re wrong about that and even more sadly they mistakenly think they do exist. You may have heard some say that reasoning about God can destroy faith. On the contrary, truth is the only secure path to seek the knowledge of and comprehend God s existence. It explains why you should never place your faith in religion above your love for God and God s creation, which includes other people. Make no mistake about it; this little story is also intended to be a clear, hard and strict criticism of all religions. It is not a criticism of the God loving people who worship and attend or pastor the churches of any religion.
