Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

GENDER VOICES

To read **Gender Voices** PDF, please refer to the button below and download the file or have access to other information which might be relevant to GENDER VOICES book.

Wiley-Blackwell. Paperback. Condition: New. 228 pages. Dimensions: 8.5in. x 5.4in. x 0.8in. Does the language we speak create and sustain a sexist culture? This controversial and exciting proposal has fascinated feminists, psychologists and linguists alike for well over a decade. The authors of *Gender Voices* explore in a clear and comprehensive manner the idea that language shapes individual lives—that through our speech we all help recreate gender divisions in society. Their introductory chapter establishes the relationship between language and social structure. Chapter 2 explores the human voice and traditional notions of femininity, masculinity and sexuality. Subsequent chapters analyze differences between women and men in pronunciation and choice of words; discourse patterns and power relationships; the sexist structure of language; and language consciousness. The possibilities for social and linguistic change are examined in the final chapters. This item ships from multiple locations. Your book may arrive from Roseburg, OR, or La Vergne, TN. Paperback.
