Brand New Book ***** Print on Demand *****.Boudica was a Celtic queen living in Britain in the first century AD. She is better known for a brutal rebellion than the soft fluffiness of bunnies. Yet for Celtic Boudica the enchanted wildwoods were all about her. And the mystical unknown of the other worlds, just beyond the reach of her hand in the pitch of night. Here, amongst Celtic designs from the 1st century and medieval interlacing, are her bunnies. Sometimes leaping, sometimes sitting on the very edge of the otherworldly veil. Ten images, all hand drawn to avoid the tedious monotony of computer replicated patterns. Printed on one side only. And each with a twin for the chance to create different colour schemes.
