AllTheSwears is an irreverent and awesome coloring book for adults who just need time to chill and find their zen. We don t offer wine pairings to go with each page inside this book, because we aren t quite that classy yet; however, we do promise you pages of colorful language, a combination of hand drawn and computer generated original drawings for your guilty coloring pleasure. The choice of wine is yours. Why did we, two swearsy bloggers, decide to embark on the endeavor of Adult Coloring Books? Quite simply, because it s fucking relaxing. Coloring helps you block out your kids, your boss, your spouse, your annoying neighbor with the yapping dog that they never take inside. you get the point. Coloring helps you to focus on and concentrate on the details that YOU want to focus on, and you fucking control the shit inside this book. All of the outside annoyances disappear as you decide what color to fill in the gagnificant drama llama with her ball gag and all of her cohorts within the pages of this book. Because you own this shit, you fucking magnificent coloring motherfucker. Enjoy!.
