

Anatomy of Injustice: A Murder Case Gone Wrong (Paperback)

By Raymond Bonner

Random House USA Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. From Pulitzer Prize winner Raymond Bonner, the gripping story of a grievously mishandled murder case that put a twenty-three-year-old man on death row. In January 1982, an elderly white widow was found brutally murdered in the small town of Greenwood, South Carolina. Police immediately arrested Edward Lee Elmore, a semiliterate, mentally retarded black man with no previous felony record. His only connection to the victim was having cleaned her gutters and windows, but barely ninety days after the victim s body was found, he was tried, convicted, and sentenced to death. Elmore had been on death row for eleven years when a young attorney named Diana Holt first learned of his case. With the exemplary moral commitment and tenacious investigation that have distinguished his reporting career, Bonner follows Holt s battle to save Elmore s life and shows us how his case is a textbook example of what can go wrong in the American justice system. Moving, enraging, suspenseful, and enlightening, Anatomy of Injustice is a vital contribution to our nation s ongoing, increasingly important debate about inequality and the death penalty.
